138		Golden Treasure	One of the best storage tomatoes we've found, and worth keeping for its delicious flavor. When picked green the 2 ¼–2 ½ inch fruit will be golden and ripe within 1–1 ½ months, and then will store another 1 ½–3 months longer! Why buy store bought tomatoes in the winter when you can enjoy your own?	Indet. 70 days OP	Territorial

140		New Zealand Pink	Regular leaf plant produces an abundance of gorgeous, pear-shaped, pink fruits with excellent sweet flavors. There also appears some heart-shaped fruit. Meat is thick and almost totally seedless. A perfect variety for slicing and eating fresh or for making elegant pink and tasty sauces.	Indet 90 days OP Late Season	Currant
