| 124 |  | A Grappoli D'Iverno | This is the "Winter Grape" tomato of old Italy, where farmers would hang the fruit-covered vines and they would stay fresh well into the winter. They also dry perfectly and resemble little "Roma" tomatoes. The flavorful fruits are delicious and great for snacking, fresh or dried. | Indet 75 days 2 oz OP Mid-Season | Tomato Fest |
| 125 |  | Pale Yellow Egg | Light yellow elongated fruit, unusual egg size and shape. Fun for the kids. From biodynamic tomato grower Sharon Carson. | Indet 80 days 1-2 in OP Mid-Season | Restoration Seeds |
| 126 |  | Red Pearl | Tender and nearly seedless, with resistance to late blight. Have good flavor and a meaty texture. Resists cracking and stores well on and off the vine. Tall, healthy plants resistant to late blight. | Indet 15-20 g 58 days OP | Johnny's Select Seed |
| 127 |  | Sprite | Perfectly suited to small gardens and patio gardening. Short, very productive, regular-leaf tomato plants yield small brilliant red, oval grape tomatoes in large numbers with refreshingly sweet flavors. Produces continuously until first frost. | Determinate 60 days 15-20 g OP Early Season | Tomato Fest |
