160		Champagne Bubbles	Also known as White Currant. Has a very vigorous growth habit that requires trellising. Produces very abundant fruit sets of small, round, pale yellow fruits the color of Champagne. Flavor is very sweet and amazes all who try it.	Indet 80 days ¾ - 1 in OP	Siskiyou Seeds
161		Golden Treasure	One of the best storage tomatoes we've found, and worth keeping for its delicious flavor. When picked green the fruit will be golden and ripe within 1-1 ½ months, and then will store another 1 ½-3 months longer! Why buy store bought tomatoes in the winter when you can enjoy your own?	Indet. 2 ¼ - 2 ½ in 70 days OP	Territorial
162		Japanese Trifele Black	Pear-shaped fruit has green-streaked shoulders, deepening to a burnished mahogany and finally to a nearly black base. The meaty interior has similar, opulent shades and an incomparable, complex, rich flavor to match.	Indet 80 days 2½ in OP Mid-Season	Territorial
163		Long-keeper	This tomato will keep up to 3 months! Gather mature green or partially ripe fruit before first frost. Place the in nursery flat, or on newspaper on a shelf in a single layer without touching. Storage temperatures should be 55-75°F, and out of direct light	Semi-det 70 days 3 in OP Late Season	Territoial

164		New Zealand Pink	Regular leaf plant produces an abundance of gorgeous, pear-shaped, pink fruits with excellent sweet flavors. There also appears some heart-shaped fruit. Meat is thick and almost totally seedless. A perfect variety for slicing and eating fresh or for making elegant pink and tasty sauces.	Indet 90 days OP Late Season	Currant
165		Sweet Pea Currant	Deceptively big on flavor, they are a treat in salads, as a garnish or right off the plant by the handfuls! Sweet Pea is a charming, plant with a low, spreading habit that lends itself to container living and especially to hanging baskets.	Indet 62 days ¼ in OP	Currant
166		Woolly Kate	A rare and unusual oddity. This sunny yellow fruit with blue shoulders is covered in a light peach fuzz! This alien-looking variety may turn heads, but its juicy sweet flavor will win your heart. It is also wonderful in salads and cooked dishes.	Indet 75 days 2-3 in OP	Currant
167		Take a Chance	These tomato plants lost their tags. They could be any kind. Take a chance and see what you get.
